

TXTA TRUCK SAFETY CONTEST

Contest Rules:

- Company must be a member of TXTA.
- Contest winners will be determined by lowest Accident Frequency Rate in each mileage classification for the year 2018. The formula for determining Accident Frequency is:

$$\frac{\text{Number of accidents X 1,000,000}}{\text{Vehicle miles}}$$

- Only those accidents required by DOT to be recordable as defined in Title 49, Code of Federal Regulations, Section 390.5 will be counted in determining a company's Accident Frequency Rate.
- For TXTA member carriers operating interstate, contest figures should only reflect the mileage and accidents occurring in Texas.
- Companies may submit entry forms for different operating divisions within their company but may not enter additional cities within the same operating division.
- Winners in each Mileage Classification will be audited by a TXTA Safety Management Council Representative.

Please complete the information below and return to the TXTA Offices, Attn: Safety Dept., 510 West 15th Street, Austin, Texas 78701, or fax to 512/474-6494. Contest applications must be returned to TXTA by March 1, 2019. Winners will be announced during the TXTA Annual Conference, August 7-9, 2019, at the Hyatt Lost Pines Resort in Bastrop, Texas. Winners must have a representative present to accept award.

Company Name: _____ CEO's Name: _____

Address: _____ e-mail: _____

Name of person furnishing report: _____ Phone # _____
