- ✓ Have Fun + Earn Bragging Rights!

* Open to all heavy-duty truck diesel technicians who are Texas residents and/or work for a Texas-based company. Contestants advancing to the Texas State Finals in Waco are required to pay an entry fee of \$50.

About the Competition

The 2020 Technician of the Year Contest is presented by the Texas Trucking Association Fleet Maintenance Council and proudly sponsored by Eaton Corporation.

This year, for the first time, we will be conducting the state qualifying written test online. Technicians may take the test anytime beginning April 26 at 8:00 am PST through May 2 at 11:00 pm PST. Online test rules:

- 1) You may only take the test once;
- 2) Test time limit is 25 minutes;
- 3) Once you begin the test, you must complete the test within the given time limit and will not be able to stop and resume at a later time;
- 4) You will not be able to go back and change any answers;
- 5) Remember, there is no charge to take this test!

The top 24 technicians will qualify for the state "hands-on" portion of the competition. Currently, the state competition is scheduled for June 6 at the TSTC facilities in Waco, Texas. We are continuing to monitor the COVID-19 virus and if necessary the state contest may be postponed or potentially canceled.
